

**Brigham Young University**  
*College of Physical and Mathematical Sciences*  
**Convocation**

April 27, 2023

Wilkinson Student Center Ballroom

2:00 p.m.

*Departments of Mathematics, Mathematics Education,  
Physics and Astronomy, and Statistics*

---

## Convocation Participants

---

**Erika Breann Crystal** is the daughter of Jeremy and Angela Crystal of Springville, Utah. She is receiving her bachelor's degree in mathematics education. Recipient of the Melvin R. Park Teaching Scholarship as well as the Terrel H. Bell Scholarship, Erika has been working on the Mathematical Opportunities in Student Thinking (MOST) research project. She and her partner presented findings from the MOST project and were the winners of their session. Erika just completed student teaching ninth grade at Mountain Ridge Junior High School. She enjoys volleyball, pickleball, boating, and card games and will pursue a master's degree in mathematics education at BYU.

**Rylie Ann DelaCruz** is the daughter of Kris and Becky Hinds of Mapleton, Utah, and is married to Joseph DelaCruz. She is graduating with a bachelor's degree in statistics with an emphasis in biostatistics and a second major in music. She has been the recipient of the Nestlé Scholarship as well as several merit scholarships through the School of Music. Rylie plays the piano and the bass at BYU and has been part of a string quintet. She has sung with the BYU Women's Chorus, played with the BYU Philharmonic Orchestra, and participated with several small musical groups. She has worked on the American Family Survey and has done research in the field of music cognition. Rylie will be attending graduate school at Goldsmiths, University of London, for music cognition studies.

**Seneca Kate Heilesen** is the daughter of Hank and Brooke Heilesen of Glen Allen, Virginia. She is graduating with university honors and is receiving a bachelor's degree in physics and astronomy with a minor in music. Recipient of a National Merit Scholarship as well as the Thomas S. Monson Scholarship, she has worked with Dr. Darin Ragozzine and is currently preparing a paper about her research. Seneca served in various leadership roles in the BYU Astronomical Society, sang in the BYU University Chorale, and has played the BYU carillon. She served in the Canada Vancouver Mission from 2019 to 2021. Seneca enjoys cooking, hiking, and reading and plans to attend graduate school in astronomy.

**Quinlan Thomas Leishman** is the son of Michael and Laurel Leishman of Bountiful, Utah. He is receiving his bachelor's degree in mathematics with an emphasis in applied and computational mathematics and with a concentration in chemistry. He has been the recipient of the Thomas S. Monson Scholarship and a Mathematics Department scholarship and has worked with Dr. Benjamin Webb doing research in machine learning. Quinlan has participated in many mathematics contests, most notably the Putnam contest, in which he placed in the top 200 nationally. He has sung with the BYU Men's Chorus and served in the Washington Seattle Mission from 2018 to 2019. He enjoys playing piano, reading about math, and playing video games. He plans to attend graduate school in mathematics.

**Rachel Melissa Molen** is the daughter of Melissa and Michael Young of Lehi, Utah, and is married to Cameron Molen. Rachel is receiving a bachelor's degree in mathematics with an emphasis in applied and computational mathematics, an emphasis in business management, and a minor in music. She is a recipient of the SAME Scholarship as well as of multiple academic scholarships from BYU. She worked at Maersk as a continuous improvement engineer intern and sang in the BYU Women's Chorus. Rachel loves to bake, sing, and hike with her husband. This summer she will be interning as a verification engineer for PassiveLogic and looks forward to becoming a mother in October.

**Jace Emery Ritchie** is the son of Scott and Robyn Ritchie of Rigby, Idaho, and is married to BaeLeigh Ritchie. He is receiving a bachelor's degree in statistics with an emphasis in data science and a minor in mathematics as well as a master's degree in statistics. He is the recipient of a National Merit Scholarship and has received a BYU full-tuition scholarship. He has been working with Dr. Richard Warr researching several statistical topics, including sports prediction, automobile crash hotspot identification, and assurance testing. Jace enjoys running, playing with his dog, and cooking. He plans to go on with his education and attend a statistics PhD program.

---

# Departments of Mathematics, Mathematics Education, Physics and Astronomy, and Statistics

## 2:00 p.m.

---

*Please remain seated during the processional.*

University Representative	Carl Hernandez Vice President of Belonging
Welcome and Conducting	Grant J. Jensen Dean
Invocation	Quinlan Thomas Leishman Mathematics
Speaker	Seneca Kate Heilesen Physics and Astronomy
Speaker	Erika Breann Crystal Mathematics Education
“Because I Have Been Given Much” Music by Phillip Landgrave Text by Grace Noll Crowell Arranged by Rylie Ann DelaCruz	Rachel Melissa Molen, voice Mathematics Rylie Ann DelaCruz, piano Statistics
Remarks	Grant J. Jensen Dean
Presentation of Doctoral, Master’s, and Baccalaureate Degrees	

*Please hold applause until each department completes its awards.*

*Audience members are welcome to use the front row to take pictures of graduates.  
Please wait until your graduate is within 10 students  
of arriving onstage before entering the front row.*

Closing	Grant J. Jensen Dean
Benediction	Jace Emery Ritchie Statistics

*Please remain seated during the recessional and meet your graduate  
in the Garden Court after all graduates have exited the ballroom.*
